

Sense of words

Problems:

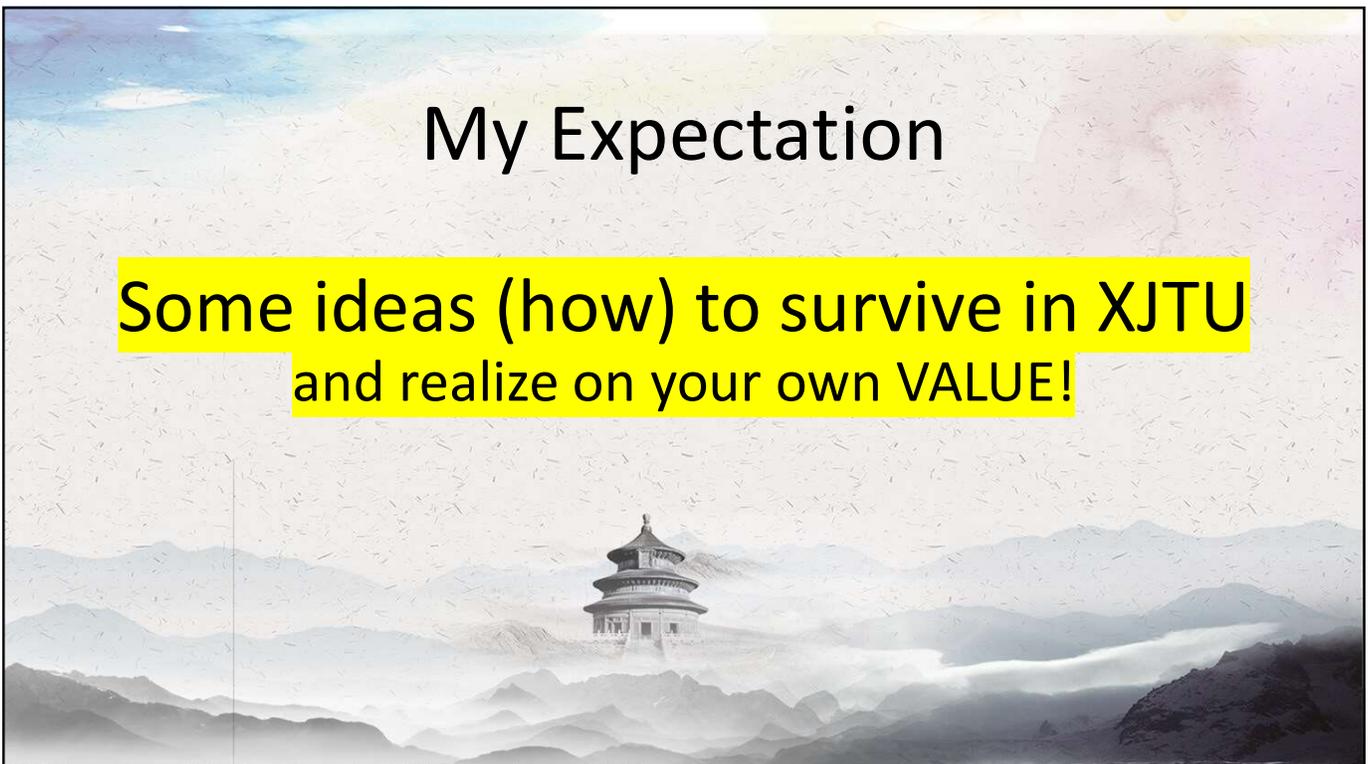

We may blame others, not our business to fix.
we can do nothing! (T_T)

Challenges:

We are involved in the situation/ or issue.
There're solutions. we **have the ability**
to solve it by ourselves!
Before asking for support.!

A screenshot of the Emerald Insight website. The page features a search bar with the text "Enter your search terms here" and a search icon. Below the search bar, there is a navigation menu with links for "Home / Journals / Journal of Applied Accounting Research / Volume 23 Issue 4 / The impact of research and development expenditure on firm performance and firm value: evidence from a South Asian emerging economy". The main content area displays two options for accessing the content: "Add to cart" (with a price of \$37.00) and "Access through your institution" (highlighted with a red box). Below this, there are buttons for "View PDF" (highlighted with a red box) and "Download full issue". The page also includes the Emerald Insight logo and the Elsevier logo. At the bottom, there is a section titled "Choose your institution" with a dropdown menu showing "Xi'an Jiaotong University" (highlighted with a red box).
